

**CATONSVILLE JULY 4<sup>th</sup> COMMITTEE**  
**P.O. BOX 21202**  
**CATONSVILLE, MARYLAND 21228**

MEMO

To: Band Participants  
From: Beverly Wright  
Date: June 16,2009  
Subject: Catonsville Fourth of July Parade

Thank you for participating in our July Fourth celebration! Our theme this year is "Celebrating Baltimore County's 350<sup>th</sup> Anniversary".

A **map** is posted on this website to assist you in line up. Check-in will begin at 1:30. Please note from your contract that we require all units to be at the parade by 2:15p.m. Our **Line Up Coordinator** will be at the corner of **Park Grove** and **Montrose Ave** to assist you. Please use the **band / bus check in** as outlined on the posted map. Our **Line Up Coordinator** will give your parade position number and distribute lunches to your appointed representative at the time of check- in. Only the number of lunches requested in your contract will be available.

All buses must be removed from line-up by 2:40 p.m. and relocated for departure at Bloomsbury Avenue. Please follow committee member's instructions, for they have the line-up of the parade and bus departure routes and will be able to assist you. Band buses that do not leave the line-up area as instructed may **NOT** be invited back to participate. This is a safety issue and we need everyone's cooperation in order for the day to run as smooth as possible.

Whether you are a parade veteran or if you are new to our parade this year, please note we have "**parade marshals**" throughout the parade to help in preventing "gaps" in the parade. If they ask you to move, slow down or stop, please follow their instructions! Also, there is **NO** reviewing stand. Judges will be placed throughout the parade route.

**Please note we have a new pedestrian island located in the center of Frederick Road at Beaumont Avenue. Units will need to split to left and right to go around this area. This is marked in green on the attached map.** We will have parade marshals located in this area to assist you.

If you have any questions or need additional information, please feel free to contact me at **410.747.4880 office, 410.984.3520 cell or 410.461.6134 home.**

Again, we thank you for your participation!
